THE REGAL SURROUNDINGS OF THE PALACE DOWNTOWN DUBAI WILL MAKE YOUR DAY AS MAGICAL AS A FAIRYTALE

The Spa has everything to pamper and treat your bridal party in advance of the big day

When it comes to romantic settings for your big day, they don't come much more magical than The Palace in the heart of Downtown Dubai. Set against the shimmering backdrop of the Burj Khalifa and overlooking the iconic Dubai Fountain, this lavish five-star property boasts enthralling Arabesque architecture and a choice of venues that will lend an air of intimacy to any romantic occasion – whether it's the proposal, the engagement party or the wedding day itself.

Celebrate on the Viewing Deck, which offers panoramic views of The Dubai Fountain and seats 120 dinner guests or 200 for a reception, while the gazebo that stretches towards the Burj Khalifa is the perfect space to exchange vows. For larger parties take your pick from the Royale Ballroom or The Palace Gardens, which can host 100 seated guests or 200 for cocktails amid the palm trees. The Poolside – with Burj Khalifa views – is a beautiful setting for a reception for up to 500, and the pool can be fitted with a clear surface, creating an azure expanse for guests to step onto.

The hotel has 242 guests rooms and suites.

The Middle eastern-themed rooms – all with private balconies – are sure to wow your guests, while the Palace Suites offer the perfect romantic setting for a honeymoon or a pre-wedding getaway.

The Spa has everything to pamper your bridal party in advance of the big day, from the Queen's Ritual for the bride and King's Ritual for the groom, to beautifying Diamond Facials for the bride and her bridesmaids.

When it comes to the perfect ingredients for your big day, a team of international chefs are on hand to perfect your bespoke menu, whether you opt for a formal set menu or a lavish buffet. Thai restaurant Thiptara is one of the most romantic spots in town if you're planning a proposal in an unforgettable setting, and Argentinian grill Asado is a lively venue for entertaining your wedding guests. ■
