### MAXIMUM IMPACT

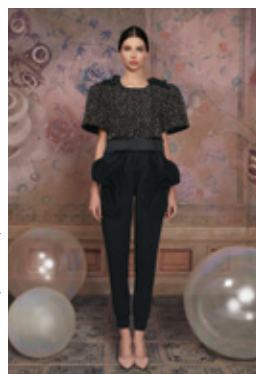

Crafted from shimmering embroidery, this dramatic, floor-sweeping gown nods to the 70s trend that is refusing to leave fashion's consciousness. The perfect evening choice.

### RHAPSODY IN BLUE

Embrace winter colour – a huge trend for the upcoming season – with this vivid blue dress, spiced with contrasting embroidered panels. Statement dressing at its best.

### POWER PAIRINGS

Punctuate a voluminous top (big sleeves are big news) with streamlined pants and razor-sharp heels for a super chic day-to-night look.

### ALL WHITE

Monochromatic dressing – aka top-toe in one shade – was all over the autumn catwalks. A structured jumpsuit makes it easy; just team with same-tone heels and go.
