Mini Fall Fashionistas

Wrap your little ones up in style with the new Autumn Mini collection from River Island

The new River Island Mini range is awash with styled pieces for newborns to three-year-olds, and has been specifically designed with every little fashionista in mind.

For the mini ladies, the season kicks off with the 70s-inspired trend which sees pops of hot pink, misted yellow highlights and geometric prints juxtaposed with a rich autumnal palette of maroon, fig, tan and navy. Add in blue denim, some flower power, faux fur and suede and you've got the perfect mini-me take on the hottest trend of the season.

Key pieces are the teddy coat, the A-line denim dress, fit flared jeans and a cropped PU fur collared biker jacket, while playful accessories including oversized floppy hats, crazy multi-coloured fur tippets and Chelsea

boots up the cute factor.

There is a softer, girlier side to the collection which adds a contemporary and cool feel thanks to a neutral palette of oatmeals, warm winter whites, blush pink and subtle touches of metallic. Grey felted mini caps, fedoras and chunky soft scarves complete this snug autumn story.

For the mini gents, the fresh, casual collection has a focus on fabric (think quilted jackets and brush check shirts in an autumnal palette of olive, indigo, grey marl and sand).

The River Island Mini collection is now available in the following stores: The Dubai Mall 04 4190358, Mall of the Emirates (04) 4190157 and Yas Mall Abu Dhabi (02) 4926565.
